

Hi TBC youth.

We have put together some sessions for you to have a look at if you would like to in the run up to Christmas. These are taken from the same material we would be using if we were meeting together so it will be like what you are used to. The sessions are made up of activities that you can work through or pick and choose what you feel is relevant to you.

There are sessions for each Sunday between now and Christmas and 2 sessions for each week. One for ages 11-14 and one for ages 14-18.

You could use this material after the service on a Sunday when we would usually be meeting in groups or any time of the week that suits. You may want to do this your own or perhaps you might like to do the activities with your family.

Don't forget we are meeting on Friday 11th December for zoom youth club so if you have any questions about these sessions, we can chat it over then.
